Media Release (No 2023)

GET BACK ON THE ROAD WITH GOLDEN ARROW: WEEKLY AND MONTHLY PRODUCTS NOW VALID FOR LONGER

We have taken note of comments from our passengers regarding changes to their working hours and less days spent in office or on site and how this affects their travel patterns.

In order to lessen the strain during these already difficult times, we have therefore decided to increase the validity periods on weekly products from 18 to 30 days and monthly products from 44 days to 90 days.

The extended validity period is applicable only to products bought on or after 16 October 2020 and is in place until further notice.

This means that our passengers will now be able to enjoy travel price discounts of up to 45% over a longer period.

Golden Arrow remains committed to ensuring that our service offerings are aligned with the current needs of our passengers.

More information on routes and pricing can be obtained via 0800 656463.
